

How to Donate to Habitat for Neighborhood Business

Habitat for Neighborhood Business® is a tax exempt 501(c)3 nonprofit corporation. Your gift is tax deductible as allowed by law. We take seriously our responsibility for good stewardship of the funds you provide on behalf of our entrepreneurs and support of the under-served neighborhoods we strive to improve.

We welcome and appreciate your gift, large or small, and invite you to select a program below that you wish to support. If you do not designate a preference we will add your gift to support our **Adopt an Entrepreneur** program.

* * * * *

Give to the "50/50 Matching Grant" Program

Amount: \$

Entrepreneurs and their mentor team may apply for a matching capital improvement or program grant. We currently have a maximum distribution for any single client of **\$1,000** in any 24-month period.

* * * * *

Fair Lending 50/50 Fund

Amount: \$

Our entrepreneurs often have limited business experience, smaller loan needs, and operate in locations within under-served neighborhoods which result in higher rates or refusals to lend. HNB is building a specific reserve fund to "collateralize" and, if necessary, share loan losses 50/50 with local banks who agree to offer business loans at "reasonable" terms and rates for entrepreneurs HNB has vetted as acceptable.

* * * * *

Adopt an Entrepreneur

Amount: \$

This program provides for the general support for each entrepreneur which we budget at **\$3,000** per year. Our entire mentor team consists of what we call "our volunteer army" of business professionals and students, but we do have a paid program director, modest administrative expenses and occasionally provide stipends for student interns. We are proud of our efficiency and invite you to check our Federal Form 990 online or call us for a copy.

* * * * *

Endowment

Amount: \$

It is HNB's goal to create a financially sound program with our university affiliate. To support that goal, should you prefer to donate to the university's Habitat for Neighborhood Business endowment, 100% will pass directly through to Saint Louis University's endowed HNB fund. Saint Louis University currently has a donor commitment to match all endowment additions.

* * * * *

University Business Plan or Capstone Project

Amount: \$

Professional business planning is financially out of reach for most minority entrepreneurs operating in under-served neighborhoods, but HNB's affiliation with Saint Louis University provides a quality mentorship program to reach a superior level of value with faculty-directed, Capstone or Business Plan projects. HNB grants will be for **\$2,500** per plan.
